M/s Sree Jayajothi Cements Pvt. Ltd,
(Mine Lease Area – 149.392 Ha.)
C/o Sri Ramu Rao,
D.No.9th floor, Block -3, My Home Hub,
Madhapur, Serilingampally,
Hyderabad – 500 081.

SCHEDULE - A

1. Any up-set condition in any industrial plant / activity of the industry, which result in, increased effluent / emission discharge and/ or violation of standards stipulated in this order shall be informed to this Board, under intimation to the Collector and District Magistrate and take immediate action to bring down the discharge / emission below the limits.
2. The industry shall put up two sign boards (6x4 ft. each) at publicly visible places at the main gate indicating the products, effluent discharge standards, air emission standards, hazardous waste quantities and validity of CFO and exhibit the CFO order at a prominent place in the factory premises.
3. Notwithstanding anything contained in this consent order, the Board hereby reserves the right and powers to review / revoke any and/or all the conditions imposed herein above and to make such variations as deemed fit for the purpose of the Acts by the Board.
4. The industry shall file the water cess returns in Form-I as required under section (5) of Water (Prevention and Control of Pollution) Cess Act, 1977 on or before the 5th of every calendar month, showing the quantity of water consumed in the previous month along with water meter readings. The industry shall remit water cess as per the assessment orders as and when issued by Board.
5. The applicant shall submit Environment statement in Form V before 30th September every year as per Rule No.14 of E(P) Rules, 1986 & amendments thereof.
6. The applicant shall make applications through Online for renewal of Consent (under Water and Air Acts) and Authorization under HWM Rules at least 120 days before the date of expiry of this order, along with prescribed fee under Water and Air Acts and detailed compliance of CFO conditions for obtaining Consent & HW Authorization of the Board. The industry should immediately submit the revised application for consent to this Board in the event of any change in the raw material used, processes employed, quantity of trade effluents & quantity of emissions. Any change in the management shall be informed to the Board. The person authorized should not let out the premises / lend / sell / transfer their industrial premises without obtaining prior permission of the State Pollution Control Board.
7. Any person aggrieved by an order made by the State Board under Section 25, Section 26, Section 27 of Water Act, 1974 or Section 21 of Air Act, 1981 may within thirty days from the date on which the order is communicated to him, prefer an appeal as per Andhra Pradesh Water Rules, 1976 and Air Rules 1982, to Appellate authority constituted under Section 28 of the Water(Prevention and Control of Pollution) Act, 1974 and Section 31 of the Air(Prevention and Control of Pollution) Act, 1981.

SCHEDULE - B

1. The project authority shall not undertake any mining operations within 500 mtrs from the village till they provide GI sheets of 20 ft height along the boundary towards the Gollagutta Village.

Water:

2. The project authority shall take steps to reduce water consumption to the extent possible and consumption shall not exceed the quantities mentioned below

SI No	Purpose	Quantity
1	Process (Dust suppression)	95.0 KLD
2	Domestic	5.0 KLD
3	Total	100.0 KLD

3. The project authority shall construct septic tank followed by soak pit within 1 month.

Air:

4. The project authority should comply with the National ambient air quality standards as per MoEF, GOI notification dated. 18.11.2009 outside the mine lease area at the boundary of the mine, as prescribed below.

S.No	Parameters	Standards in µg/m3
1	Particulate Matter(PM10)	100

2	Particulate Matter (PM2.5)	60
3	SO2	80
4	NOx	80

Noise Levels: Day time (6 AM to 10 PM) - 75 dB (A)
Night time (10 PM to 6 AM) - 70 dB (A).

5. The project authority shall comply with emission limits for DG Sets upto 800 KW as per the Notification G.S.R.520 (E), dated 01.07.2003 under the Environment (Protection) Amendment Rules, 2003 and G.S.R.448 (E), dated 12.07.2004 under the Environment (Protection) Rules. In case of DG Sets more than 800 KW shall comply with emission limits as per the Notification G.S.R. 489 (E), dated 09.07.2002 at serial No.96, under the Environment (Protection) Act, 1986.
6. The project authority shall carry out only mechanized open cast mining. The blocks shall be separated from mother rock by using wet drilling and use of non-electrical shock tube delay detonators in blasting operation to control dust & ground vibrations.
7. The project authority shall construct retaining wall, garland drain followed by siltation pond around the existing dump within 1 month.
8. The project authority shall also construct retaining wall, garland drain followed by siltation pond around the dump to be generated during the operation of mine within 2 months.
9. The project authority shall implement the following measures to reduce the air pollution during the transportation of the mineral.
 - Road shall be graded to mitigate the dust emissions.
 - Overfilling of tippers and consequent spillage on the roads shall be avoided. The trucks shall be covered with tarpaulin.
 - Water shall be sprinkled at regular intervals on the main haul road and other service roads to suppress the dust.
10. The overburden (top soil and rock waste) shall be dumped in the dump yard within the quarry lease area. Under no circumstances, the project authority shall dump the overburden / top soil outside the quarry lease area.

GENERAL:

11. The project authority shall dispose solid waste (Non Hazardous) as follows:

Sl. No.	Name of the Solid waste	Quantity	Disposal
1	Mineral waste i.e., high silica lime stone(>18% SiO2) and O.B (flaggy black stone)	15,03,063 m ³ (during the entire life of the mine i.e., 50 years)	The mineral waste and O.B shall be dumped in an area of 10.86 Ha within the mine lease area.
2	Existing flaggy quarry dump	2,65,000 m ³	The waste shall be used for back filling 1.93 Ha of mined out are.

12. The project authority shall develop a thick greenbelt along the boundary towards the Gollagutta Village and develop greenbelt along the mine lease area with tall growing trees with wide leaf area.
13. The project authority shall submit the compliance report on the Consent for Operation (CFO) conditions for every six months i.e. on 1st January and 1st July of the year to Regional Office, Kurnool on regular basis.
