Environmental Campaign & Awareness:

Every year Mines Environment and mineral conservation week is being celebrated and in the year 2022 we have celebrated in Nandavaram Mines premises. On the occasion of Mines Environment and mineral conservation day, all employees and workers gathered in Nandavaram Mines office. The environment pledge was being taken by all for environment conservation and continuous efforts to make a green and healthy environment.

On the occasion of Mines Environment and mineral conservation week day various environment related competitions are organized for company staff, workers in plant and Mines for colony children. Competitions like Environment drawings, slogans, essay writing etc. The main objective behind organizing these competitions is to make aware people about the environment consequence & its conservations. The winners of competitions are being awarded by our Plant Head. Plantation programme was done during the program.
